# The Academic Costume

The academic costumes worn trace their origin to the Middle Ages, when long sleeved, hooded gowns were necessary for warmth in the unheated stone colleges. Each European college or university had its set of garments indicating the status of the wearers, and worn at all academic events, including lectures. In the United States, an intercollegiate system of academic costume has been used since 1894, the garments being worn chiefly on ceremonial occasions, although even the wearers know little of their history or meaning.

Wearing the academic costume symbolizes the placing of scholarship, that is, the attempt to be intellectually honest, above personal preference and current fashion. The academic procession symbolizes the continuity of the tradition of learning and the search for truth in its various forms through the centuries; it is meant to communicate the feeling that such an effort is of value, however imperfect it may be.

The design of the gown indicates the degree: The Bachelor's is a simple gown with a full sleeve. The Master's gown is similar, except for the sleeve. The Doctor's gown is more elaborate and quite full. It has velvet edging and three velvet stripes on the full sleeve. The color of this velvet may be black or the color appropriate to the degree. Academic gowns which differ from these characteristics are those worn by persons who have received their degrees from universities outside the United States.

Hoods, which are worn over the gowns, vary in size with the degree. Bachelors here do not wear the hood. The hood has velvet edging which indicates the area of specialization, as does the tassel on the cap.

Apricot—Nursing	Drab—Business	Orange—Engineering
Dark Blue—Philosophy	Green—Medicine	Pink—Music
Light Blue—Education	Green Sage—Physical Education	Purple—Law
Brown—Fine Arts	Lemon—Library Science	Scarlet—Theology
Citron—Social Science	Maize—Agriculture	White—Arts and Letters
Copper—Economics	Maroon—Home Economics	Golden Yellow—Science

The inside of the hood is satin and indicates by its color and their arrangement the college or university which granted the degree. For example:

St. Cloud State University—Black and Red  
University of Minnesota—Maroon and Gold  
University of Iowa—Old Gold  
University of Wisconsin—Red and White  
University of North Dakota—Pink and Green

The Commencement Ceremony as a whole affirms the value of learning to society, recognizes the cooperation of many people, on and off the campus, who have contributed to the learning enterprise and, above all, celebrates the effort and achievement (symbolized by diplomas, degrees and gowns) of the graduates themselves.

## The Mace

The University Mace was created by David Landwehr out of the white cedar flag pole from Old Main which was built in 1874 and razed in 1948. The carved designs on the Mace head which are decorated with gold leaf symbolize the five undergraduate colleges of the University and were created by Merle Sykora, Associate Professor of Art. These symbols also appear on the five small banners on the commencement platform.

The mace originated as a staff or club used in the middle ages for breaking armor. It evolved into a ceremonial symbol of authority used in legislative bodies, universities or other governmental units.

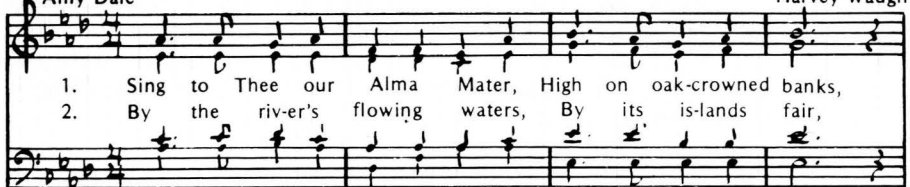

## AMERICA, THE BEAUTIFUL

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain

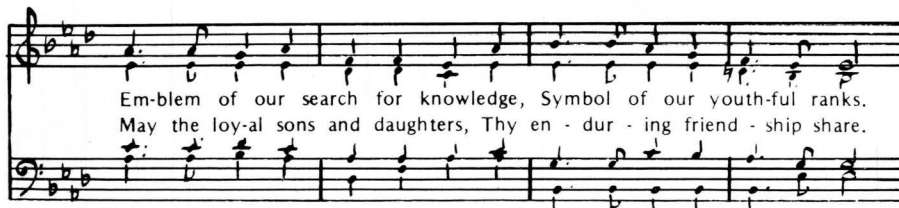

America! America!  
God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea

## UNIVERSITY HYMN

Amy Dale Harvey Waugh

1. Sing to Thee our Alma Mater, High on oak-crowned banks,  
2. By the riv-er's flowing waters, By its is-lands fair,

Em-blem of our search for knowledge, Symbol of our youth-ful ranks,  
May the loy-al sons and daughters, Thy en - dur - ing friend - ship share.

Filled with fires of true am - bi - tion, Let us ev - er be;
